Recommendations

1. This amigurumi is worked in the false X stitch.

2. Most amigurumi begin with a magic ring and are worked in a spiral unless the pattern states otherwise. Use a stitch marker to mark the beginning of each round.

3. Work the stitches tightly. Tension depends on each crocheter, but tight stitches keep the stuffing from showing through.

4. Stuff firmly so the amigurumi keeps the correct shape. Use a small stick or tweezers to reach narrow spaces, and stuff each part as you crochet.
